

DulcisinFood

Team Aim:

Innovating and improving nutritional properties of the classical Italian croissant

Team Members:

Beltramba Ludovica, Caroselli Tiziano, Tranquilli Caterina

Affiliated Company:

SweetsFactory

Institution:

University of Teramo

GROUP DESCRIPTION

We are a group of master students in "Food Science & Technology". We have always been interested in food innovation and searching for progress; due to this, we are ready to undertake this project and finally put our food skills and knowledge to the test.
